GLOBAL ARRANGEMENT SERVICE A BRIDGE TOWARDS A COMPANY'S FUTURE

From Initial Project Evaluation...

FIDIMPRESE assist the customer in each phase of a project, from the evaluation of its viability and borrowing potential to the feasibility study, the checking of all authorizations and the needed documentation, the information to be supplied to the opposite numbers, down to the initializing of the purchase and financing contracts. FIDIMPRESE manage directly the relationship with all the concerned parties and keep

...to Tailor-Made Financing

FIDIMPRESE can count on co-operation agreements and time-honored commercial links with tens of retail banks, leasing companies, merchant banks, and entities engaging in financing. This is why we can propose our clients the best financing arrangements available on the market. Every financing scheme is client-specific. Its schedule, amount, structuring and collateral requirements are tailor-made to suit the customer's needs. In our philosophy, no two operations are the same

With 90% Of Approved Projects...

FIDIMPRESE 's working model enables our people to evaluate the projects before they are submitted to the banking system, saving the client any waste of time and any subsequent rush to find suitable credit sources.

...and An Unrivalled Vision Of The Future

FIDIMPRESE take into account all elements, current and future, in evaluating a project. The proposed operation and the subsequent investment are investigated with an eye to the evolving scenarios: the presence of organizational lines and an adequate shareholder mix, the possible need for bringing in additional collateral, any red-tape problem or opt-out clause – all of this will provide the client with a global vision of their investment, and a clear operational strategy.
